If you are 10 - 13 years old this course was designed for you!

In the Babysitting Safety Course you will learn:

- Babysitting and leadership skills
- How to care for infants, toddlers and older children
- What questions to ask parents
- Get an introduction to first aid
- What to do in emergencies.

*Courses held at St John Ambulances training sites in Welland and St Catharines.
Private courses can be arranged in alternate locations for 8 or more participants.*
