

RECYCLE DRIVE

EWASTE, METALS, POPCANS, WIRES & BATTERIES

Help us beat our Fall total of 4900 lbs which raised \$729.92 for our school.

SAT APR 21 10 AM – 3 PM

Spread the word to family and friends!

Volunteers available to assist you with unloading.

Feel free to drop in the bin as early as April 19th!

Note: best to avoid dropping off immediately before and after school due to buses on site. Thanks!

We accept: Desktop computers, portable computers, computer peripherals, TVs, computer monitors, printing devices, modems, photocopiers, scanners, cellular phones, PDAs, typewriters, telephones, pagers, audio and video players, cameras, equalizers, amplifiers, radios, receivers, speakers (*may be wood deduction*), turners, turntables, projectors, household batteries, pop cans, pots and pans, appliances, toasters, mixers, fridges, stoves, etc. brass, copper, stainless steel (ie: sinks, cutlery), aluminum, tin sheds metal shelving, BBQs, lead, extension cords.

TIP: Cutting the cords off at the source before disposal brings us more funds. The kids look so forward to doing this on site! 😊 Thanks for all your support! School Council

*Dalewood French Immersion Public School, 61 Duncan Drive, St. Catharines
