LEGO ROBOTICS CODING CAMP FOR GRADES 4-8

At the *FIRST* Robotics Day Camp, students design, build, and program a LEGO robot to solve fun challenges with a partner. They also engage in team-building exercises and outdoor games. The week concludes with a Parent Showcase, where your students can show off what they have learned!

Camp Information and Registration

📅 July 8th to July 12th

🕐 8:30AM to 4:30PM

📍 15 Glenview Ave, St. Catharines ON - Governor Simcoe Secondary School
