

Join us Dec 4-14 for a new theatrical adaptation of Dickens' A Christmas Carol at The Mandevel Theatre, Ridley College. The Foster Festival, a nonprofit, charitable, and professional theatre company in partnership with the St. Catharines Museum and Welland Canals Centre, has set Dickens' beloved holiday ghost story in 19th century St. Catharines in the tumultuous circumstances prior to the Welland Canal's second build. A Niagara Christmas Carol is a uniquely Canadian take on Scrooge's tale of redemption.
