Like It Or Not by Katey Hoffman

Best friends Zoey and Leah, two spirited 11-year-olds, navigate friendship, identity, and growing up. Zoey dreams of sports stardom, while Leah pursues her love for fashion—until peer pressure and popularity test their bond. With guidance from quirky characters, including a chic teacher and intense soccer coach, they learn that true friendship means embracing each other's differences.

Like It Or Not is a heartwarming, funny, and relatable journey about discovering who you are - and who your true friends are - along the way.
