THEATRE YOU NEVER OUTGROW

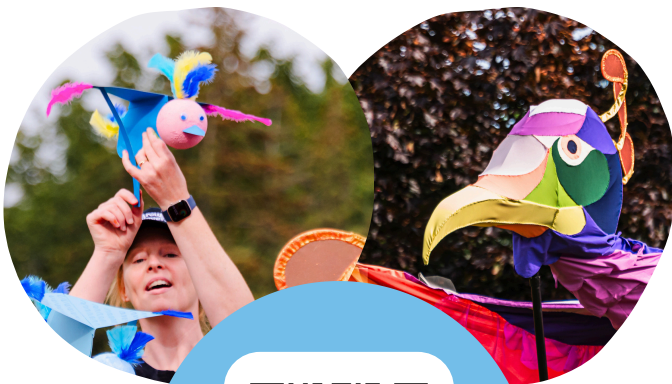

YOU'RE INVITED!

Join the TCAG for Carousel Players' *Birdsong*!

Build your own bird puppet to help the giant bird fly!

When a giant bird (brought alive by 4 puppeteers) is lost on its migration, it lands in the TCAG's field and doesn't know how to find its way home. All the little birds of Thorold create a bird puppet that becomes a part of the performance, and will join in singing songs of encouragement and showing the giant bird how to fly. Recommended for ages 3+ with adult.
